

January 5, 2004

Dear Town School for Boys,

On behalf of Queen of Angels Church, we'd like to thank you for the wonderful toys, games and books you collected and shipped here for the children who lost their homes in the Cedar Fire. The faces of the parents and children who picked up the toys were a mix of surprise and excitement. They were so grateful.

Because of the abundance of your generosity, there were enough toys to help the families hurt by the fires as well as other families in our community who normally can afford very little for their children.

Your kindness brightened the holidays for many people in our community. Thank you

Sincerely,

Rev. Edmund P. McNulty
Pastor

Sincerely,

Rita Loughrin-Sacco
Director of religious education
